◆TO STUDENTS PRESENTLY RECEIVING EDUCATIONAL FUNDS FROM THE SLEMP FOUNDATION◆

The enclosed forms are to be used in connection with **applications for funds** from students presently receiving aid from this Foundation. Two forms are enclosed:

- 1. Information and Application Procedure*
- 2. Application Form*

If further aid is desired, your **application** and an **official transcript** of your college grades **must be postmarked** by ***July 1st***. Internet grade reports and originals or copies of semester grade reports in lieu of an official transcript are **not** acceptable.

If your personal or family financial situation changes during the year after your application is sent in so that there may be no need for funds, or for some other reason you decide not to use any grant awarded you, please let us know promptly.

Grants will not be continued for students whose grades are not satisfactory or who are not considered full time students by the school they are attending. Generally grants will not exceed \$2,000.00 per student per year as a maximum. Please indicate on page 2 of the application form the total of grants that you, any brothers or sisters and parents have received to date from this Foundation. Continuation of grants will also depend on the income of the Foundation available for scholarship purposes.

Please read all forms carefully and follow instructions where they apply to your particular case. Remember that it will be your responsibility to provide the Foundation with regular **official school transcripts**. Upon graduation from college, we will expect to be informed of the field of endeavor you pursue.

Hoping that you are making fine progress at school, we are with best wishes,

Cordially yours,

The Slempp Foundation
By the Trustees under the Will of
C. Bascom Slempp

**Please note that a School Authority Form is no longer required with Continuing Applications.*

◆NOTE: THE PARENTS OF STUDENTS SHOULD ALSO READ THESE FORMS CAREFULLY◆
