**◆TO STUDENTS APPLYING FOR EDUCATIONAL FUNDS FROM THE SLEMP FOUNDATION FOR THE FIRST TIME◆**

The enclosed forms are to be used in connection with **all first time applications** for funds on a grant basis:

- 1. Information and Application Procedure*
- 2. Application Form, School Authority Form, and Four Reference Forms*
- 3. Outline of Mr. Slempp's Life*

The Trustees will only consider fully completed applications from high school students **postmarked** no later than **October 15th**, for all grants to be made for the college year beginning the following Fall. Applications received after the deadline will not be considered.

If your personal or family financial situation changes during the year after your application is sent in so that there may be no need for funds, or for some other reason you decide not to use any grant awarded you, please let us know promptly as the Trustees wish the Foundation's funds to go as far as possible.

No grants will be made to students whose grades are not satisfactory or who are not considered full time students by the college or university attended. Generally grants will not exceed \$2,000.00 per student per year as a maximum. Please indicate on page 2 of the application form, the total of grants that you, any brothers or sisters and parents have received to date from this Foundation. Continuation of grants will also depend on the income of the Foundation available for scholarship purposes.

Please read all forms carefully and follow instructions where they apply to your particular case. Once the applicants selected enter college, it is the student's responsibility to provide the Foundation with regular **official school transcripts** and to complete the renewal application sent each year.

Hoping that you are making fine progress at school, we are with best wishes,

Cordially yours,

*The Slempp Foundation*  
*By the Trustees under the Will of*  
*C. Bascom Slempp*

**◆NOTE: THE PARENTS OF STUDENTS SHOULD ALSO READ THESE FORMS CAREFULLY◆**
